*** Items marked must be completed for an order to be placed. Please mail your completed order form with check payment to the address above. Please allow time for personal checks to clear before your order is sent. Payment must be issued by check, money order, or bank check only. No P.O. boxes please as UPS will not deliver to such.**

*** We make every attempt to keep the online price list current but sometimes online changes are not immediate. When there are price discrepancies, please be aware that the price the item is sold for in the office is the most current price...meaning, there might, at times, be slight price changes in the cost of some of the items you wish to order. Please note that in the event of a price change, if the price difference is under 5% of the cost listed on this form, we will absorb the cost. However, if there is a more significant price change (in either direction), we will contact you to make sure proper payment is being made. Thank you for your understanding with this issue. Again, we make every effort to keep the online price list up to date.**
